SILENT AUCTION, AWARDS,  
PRIZES AND MORE!

# 29<sup>TH</sup> Annual Golf Classic

Dear Friends,

As our days begin resuming a more normal feel and pattern, I'm excited to invite you back to the Spectrum Human Services & Affiliated Companies' Annual Golf Classic! For obvious reasons we were unable to have this important event last year. Which is why this year – our 29th – is so special.

In spite of the many challenges, we've all faced the past 12 months, the entire Spectrum team has remained a center of excellence for innovative and progressive human services. The dedication of all those who make Spectrum possible and allow us to offer the most effective treatment and compassionate services to those in need, is as important today as ever.

Everything we do is driven by our belief that all people are entitled to dignity and respect and have the right to receive services that support them in achieving their highest potential. Your participation and the funds we raise from sponsorships, raffles and other activities play a major role in building a better tomorrow for the individuals, families and communities that we serve.

Please, join us for a safe and memorable afternoon on the course with your favorite foursome, as we drive, chip and putt to support our efforts.

I look forward to seeing you on Monday, June 7th as we swing for a cause at Walnut Creek Country Club.

*As always, thank you for all of your continued support!*

Joshua J. Swaninger  
President & CEO
